The Chairman called the meeting to order.**

Chairman's Address : (Omitted)

1. Report Items

- (1) The company's business report of 2016. (See Attachment 1)
- (2) The audit committee's review report of 2016. (See Attachment 3)
- (3) The directors' & employees' remuneration of 2016. (See Attachment 5)
- (4) The Status of guarantees provided by the company as of the end of 2016
As of the end of 2016, the aggregate amount of guarantees provided by the company was NT\$667,708 thousands and the highest amount for a single enterprise was NT\$667,708 thousands which are all under its respective ceiling. (See Attachment 6)

2. Ratification Items

(1) Adoption of the Company's 2016 Business Report, Financial Statements and Consolidated Financial Statements (Proposed by the Board of Directors)

Explanatory Notes :

The business report, financial statements and consolidated financial statements of the Company for the year of 2016 have been approved by the Board of Directors, with the financial statements having been audited and certified by Mr. Shyu-Rong Ueng and Ms. Shu-Chiung Chang, the CPA of the PricewaterhouseCoopers. The above-mentioned documents subsequently examined by Audit Committee pursuant to Article 228 of the Company Act. The Business Report and Financial Statements are hereby submitted for adoption. (See Attachment 1 ~ Attachment 4)

Voting Results : Shares represented at the time of voting : 48,677,735 votes

Voting Results*	% of the total represented share present
Votes in favor : 48,449,611 votes (6,619,507 votes)	99.53%
Votes against : 5,696 votes (5,696 votes)	0.01%
Votes invalid : 0 vote	0.00%
Votes abstained : 222,428 votes (6,340 votes)	0.46%

*including votes casted electronically (numbers in brackets)

Resolved, that the 2016 business report, financial statements and consolidated financial statements be and hereby were adopted as submitted.

(2) Adoption of the Company's Distribution of 2016 earnings (Proposed by the Board of Directors)

Explanatory Notes :

1) The 2016 net income after tax is NT\$848,096,850, after setting aside legal reserve NT\$84,809,685, and remeasurement arising on defined benefit plans are recognized in retained earnings in 2016 NT\$6,188,895, adding the unappropriated retained earnings as of 2015 NT\$603,869,520, the retained earnings available for distribution in 2016 is NT\$1,360,967,790. The proposal is that NT\$757,172,620 will be cash dividends to common shareholders (NT\$11.37 per share based on

common share outstanding is 66,593,898 shares).

- 2) Upon the approval of the Annual General Meeting of shareholders, it is proposed that the Board of Directors be authorized to determine the record date to distribute the cash dividends and other relevant issues.
- 3) In case that the total amount of common shares outstanding may change and the ultimate cash to be distributed to each common share may need to be adjusted, it is proposed that the Board of Directors be authorized to adjust the cash to be distributed to each common share.
- 4) Cash dividend distribution ratio is calculated and rounded to NT\$, the difference is recognized and balanced in other income or expense.
- 5) The 2016 profit distribution proposal is referring to Attachment 2.

Voting Results : Shares represented at the time of voting : 48,677,735 votes

Voting Results*	% of the total represented share present

6. Special Motion: None

7. Meeting Adjourned : at 9:45 am on Monday, 26 June 2017

KD HOLDING CORPORATION

Business Report of 2016

From 2016/01/01 to 2016/12/31

1、Business Performance:

For the year end of 2016, the standalone operating revenue was NT\$880,677 thousands, the consolidated operating revenue was NT\$4,955,565 thousands, and the consolidated profit after tax was NT\$848,097 thousands.

Consolidated operating revenue breakdown is as follows:

(Unit : NT\$ thousands)

Waste Disposal Revenues	1,352,508
Sales of Electricity	1,939,443
Concession Service Revenues	604,171
Waste Collection Revenues	123,040
Others	936,403
Total	4,955,565

2、Performance Review :

Compared to the year end of 2015, the year end of 2016 consolidated operating revenue of NT\$4,955,565 thousands has increased by NT\$876,812 thousands. The main reasons for the above change result from SINO GAL's electricity tariff adjustment after clarifying and approving by owner.

Standalone operating revenue of NT\$880,677 thousands has increased by NT\$148,760 thousands in 2016 due to the promoting profits from Sino Environmental Services Corp., Leading Energy Corp., and HD Resource Management Corp.

(Unit : NT\$ thousands)

Consolidated Operating Revenues for 2016	4,955,565
Consolidated Operating Revenues for 2015	4,078,753
Increase from 2015 to 2016	876,812
Percentage of increase	21.50%
Operating Revenues for 2016	880,677
Operating Revenues for 2015	731,917
Increase from 2015 to 2016	148,760
Percentage of increase	20.32%
Net Profit After Tax for 2016	848,097
Net Profit After Tax for 2015	710,370
Increase from 2015 to 2016	137,727
Percentage of increase	19.39%

3、 Business Prospect of Year 2017 :

Looking back year 2016, KD fully demonstrated the fervent ambition on "Qualitative Change" for business promotion and execution. In addition to developing the existing business steadily, KD also prospected with fully confidence on new business development. In future, KD will endeavor on the following three business area to enhance sustainable development and expand abroad.

A. Energy from Waste and Waste Management Business

In addition to securing the existing projects, KD is keen to develop the business in ASEAN, China and India. By participating EfW bid, signing memorandum of cooperation with government or teaming up with local enterprise, KD will replicate successful PPP (BOT) business model and the mature operating experience to overseas market.

B. Solar Power Business

Besides maintain stable operation of existing project, by following government's expansion policy KD will continuously and cautiously seeks opportunity for investing mega-scale project, including reclamation landfill and any other ground-mounted type PVPP project. For overseas market, KD is not only maintaining stable operation of existing project in the U.S. but also keen to search for proper target in other regions following Group development strategy. Moreover, in response to future funding needs KD will strategic alliance with different business sectors to expand funding channels and investment scale.

C. Circular Economy Business

For PET bottle recycling, KD keeps working on plant upgrades, enhancing product competitiveness and improving process capability to providing food grade or customized products to client. In addition, by integrating the Group resource KD actively develops other recycling business, such as recycling valuable material from industrial waste, wastewater or household waste.

KD HOLDING CORPORATION
Proposed Profit Distribution Table
Year 2016

Unit : NT\$

Item	Total
Unappropriated retained earnings of previous years	603,869,520
Less : Remeasurement arising on defined benefit plans is recognized in retained earnings in 2016.	-6,188,895
Add : Net income of 2016	848,096,850
Less : 10% legal reserve	-84,809,685
Retained earnings available for distribution as of December 31, 2016	1,360,967,790
Cash dividends (Based on 66,593,898 outstanding shares at 28/2/2017, NT\$11.37 per share)	-757,172,620
Unappropriated retained earnings	603,795,170

Notes :

1. Prior period retained earnings include:
 - (a) Unappropriated retained earnings of NT\$5,962 before and including 2012.
 - (b) IFRSs adjustment of NT\$567,526,461 beginning retained earnings in 2012.
 - (c) IFRSs parallel books adjustment of NT\$36,337,097 in 2012.
2. Distribution will be made primarily by 2016 retained earnings; the insufficient amount will be reimbursed by undistributed retained earnings before 2016.
3. For the proposed distribution date, shares for distribution are based on outstanding shares by the end of February 2017; the actual shares for distribution will be based on the actual outstanding shares on the record date.

Audit Committee's Review Report

The Board of Directors has prepared the Company's 2016 Business Report, Financial Statements (both consolidated and individual), and proposal for allocation of profits. The CPA firm of PriceWaterhouseCoopers was retained to audit KD Holding Corporation's Financial Statements and has issued an audit report relating to the Financial Statements. The Business Report, Financial Statements, and profit allocation proposal have been reviewed and determined to be correct and accurate by the Audit Committee members of KD Holding Corporation. According to Article 14-4 of the Securities and Exchange Act and Article 219 of the Company Act, we hereby submit this report.

KD Holding Corporation.

Chairman of the Audit Committee: Sidney Hsin Huai Chow

Dated March 15th, 2017

資誠

REPORT OF INDEPENDENT ACCOUNTANTS TRANSLATED FROM CHINESE

To the Board of Directors and Shareholders of KD HOLDING CORPORATION

Opinion

We have audited the accompanying non-consolidated balance sheets of KD HOLDING CORPORATION (the “Company”) as at December 31, 2016 and 2015, and the related non-consolidated statements of comprehensive income, of changes in equity and of cash flows for the years then ended, and notes to the non-consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying non-consolidated financial statements present fairly, in all material respects, the non-consolidated financial position of the Company as at December 31, 2016 and 2015, and its non-consolidated financial performance and its non-consolidated cash flows for the years then ended in accordance with the “Regulations Governing the Preparations of Financial Reports by Securities Issuers”.

Basis for opinion

We conducted our audits in accordance with the “Regulations Governing Auditing and Attestation of Financial Statements by Certified Public Accountants” and generally accepted auditing standards in the Republic of China (ROC GAAS). Our responsibilities under those standards are further described in the *Auditor’s Responsibilities for the Audit of the Non-consolidated Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Professional Ethics for Certified Public Accountants in the Republic of China (the “Code”), and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the non-consolidated financial statements of the current period. These matters were addressed in the context of our audit of the non-consolidated financial statements as a whole and, in forming our opinion thereon, we do not provide a separate opinion on these matters.

Key audit matters Investments accounted for using equity method- Leading Energy Corp., Sino Environmental Services Corp., HD Resources Management Corp., Fortune Energy Corp., and SINO GAL-Waste Services Co., Ltd.

On December 31, 2016, the investments in subsidiaries, Leading Energy Corp., Sino Environmental Services Corp., HD Resources Management Corp., Fortune Energy Corp., and SINO GAL-Waste Services Co., Ltd., were accounted for using equity method and amounted to \$3,403,744, representing 72% of total assets and are material to financial statements, Thus, we consider the investments accounted for using equity method- service revenue and the accuracy of electricity sales adjustment a key audit matter.

A. Description

Please refer to Note 4(26) for accounting policies on operating revenue.

The operating revenue of subsidiaries mainly arise from service revenue and electricity sales revenue. The service revenue (including waste disposal revenue, part of electricity sales revenue and service concession revenue) arises mainly from contracts entered into with certain governments (grantors) that involves charging for the service per unit in accordance with contracts. As the relevant revenue is the main operating income of each subsidiary and also material to investment income and losses, thus we consider the accuracy of service revenue of subsidiaries a key audit matter.

How our audit addressed the matter

We performed the following audit procedures on the above key audit matter:

- (A) Obtained an understanding of the procedures of waste treatment and tested relevant internal controls, including randomly checking the actual amount of disposals that are treated at the waste treatment plant monthly, the consistency of monthly statements that management used in calculating revenue, and the consistency between service fees per unit and contract.
- (B) Verified the accuracy of statements that management used in calculating revenue, including the amount of disposals treated and the service fees per unit, recalculating the accuracy of cash amount and ascertained whether it is in agreement with recorded revenue.

Please refer to Note 6(12) for details of electricity sales adjustment.

SINOGAL-Waste Services Co.,Ltd., which was reinvested by the Company, entered into a contract, “Provision of Services for Operation and Maintenance of the Macao Refuse Incineration Plant”, with Região Administrativa Especial de Macau (“referred herein as the owner”). Due to the change in the electricity sales calculation which was specified in the contract, after clarification and approval by the owner, since the result of the calculation formula of adjustment of electricity sales is a loss, the adjustment of electricity sales was transferred from other current liabilities to operating revenue, and causing the increase in share of profit accounted for using equity method amounted to NT\$ 159,105 thousand.

How our audit addressed the matter

We performed the following audit procedures on the above key audit matter:

- (A) Obtained and examined contracts, and discussing relevant calculation with management.
- (B) Obtained the clarification letter which was replied by the owner about the compensation of “Provision of Services for Operation and Maintenance of the Macao Refuse Incineration Plant” service agreement.
- (C) Obtained the details of other current liabilities, randomly checking and verified the cash amounts based on relevant evidence with the carrying amounts, and examined the consistency of calculation between original contract and clarification letter.

Responsibilities of management and those charged with governance for the non-consolidated financial statements

Management is responsible for the preparation and fair presentation of the non-consolidated financial statements in accordance with the “Regulations Governing the Preparations of Financial Reports by Securities Issuers” and the International Financial Reporting Standards, International Accounting Standards, IFRIC Interpretations, and SIC Interpretations as endorsed by the Financial Supervisory Commission, and for such internal control as management determines is necessary to enable the preparation of non-consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the non-consolidated financial statements, management is responsible for assessing the Company’s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance, including audit committee, are responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the non-consolidated financial statements

Our objectives are to obtain reasonable assurance about whether the non-consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ROC GAAS will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these non-consolidated financial statements.

As part of an audit in accordance with ROC GAAS, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

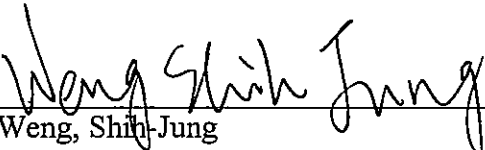

1. Identify and assess the risks of material misstatement of the non-consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the non-consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
5. Evaluate the overall presentation, structure and content of the non-consolidated financial statements, including the disclosures, and whether the non-consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

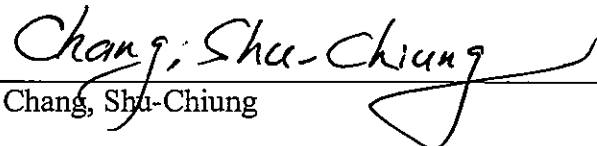

6. Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Company to express an opinion on the non-consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the non-consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Weng, Shih-Jung

Chang, Shu-Chiung

For and on behalf of PricewaterhouseCoopers, Taiwan

March 15, 2017

The accompanying non-consolidated financial statements are not intended to present the financial position and results of operations and cash flows in accordance with accounting principles generally accepted in countries and jurisdictions other than the Republic of China. The standards, procedures and practices in the Republic of China governing the audit of such financial statements may differ from those generally accepted in countries and jurisdictions other than the Republic of China. Accordingly, the accompanying non-consolidated financial statements and report of independent accountants are not intended for use by those who are not informed about the accounting principles or auditing standards generally accepted in the Republic of China, and their applications in practice.

As the financial statements are the responsibility of the management, PricewaterhouseCoopers cannot accept any liability for the use of, or reliance on, the English translation or for any errors or misunderstandings that may derive from the translation.

REPORT OF INDEPENDENT ACCOUNTANTS TRANSLATED FROM CHINESE

To the Board of Directors and Shareholders of KD HOLDING CORPORATION AND SUBSIDIARIES

Opinion

We have audited the accompanying consolidated balance sheets of KD Holding Corporation and its subsidiaries (the “Group”) as at December 31, 2016 and 2015, and the related consolidated statements of comprehensive income, of changes in equity and of cash flows for the years then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Group as at December 31, 2016 and 2015, and its consolidated financial performance and its consolidated cash flows for the years then ended in accordance with the “Regulations Governing the Preparations of Financial Reports by Securities Issuers”, and the International Financial Reporting Standards, International Accounting Standards, IFRIC Interpretations, and SIC Interpretations as endorsed by the Financial Supervisory Commission.

Basis for opinion

We conducted our audits in accordance with the “Regulations Governing Auditing and Attestation of Financial Statements by Certified Public Accountants” and generally accepted auditing standards in the Republic of China (ROC GAAS). Our responsibilities under those standards are further described in the *Auditor’s Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Professional Ethics for Certified Public Accountants in the Republic of China (the “Code”), and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

資誠

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole and, in forming our opinion thereon, we do not provide a separate opinion on these matters.

Accuracy of service revenue

A. Description

Please refer to Note 4(26) for accounting policies on operating revenue, and Note 6(20) for details of service revenue.

Operating revenue mainly arise from service revenue and electricity sales revenue. The service revenue mainly arises from contracts entered into with certain governments (grantors) that involve charging for the service per unit in accordance with contracts. The cash amount of service revenue (including waste disposal revenue, part of electricity sales revenue and service concession revenue) was NT\$ 2,443,535 thousand for the year ended December 31, 2016, presenting 49% of operating revenue for the year ended December 31, 2016. Thus, we consider the accuracy of service revenue a key audit matter.

How our audit addressed the matter

We performed the following audit procedures on the above key audit matter:

- (A) Obtained understanding of the procedures of waste treatment and tested relevant internal controls, including randomly checking the actual amount of disposals that are treated at the waste treatment plant monthly, the consistency of monthly statements that management used in calculating revenue, and the consistency between service fees per unit and contract.
- (B) Verified the accuracy of statements that management used in calculating revenue, including the amount of disposals treated and the service fees per unit, recalculating the accuracy of cash amount and ascertained whether it was in agreement with recorded revenue.

Electricity sales adjustment

B. Description

Please refer to Note 6(12) for details of electricity sales adjustment.

SINOGAL-Waste Services Co.,Ltd., which was reinvested by the Company, entered into a contract, “Provision of Services for Operation and Maintenance of the Macao Refuse Incineration Plant”, with Região Administrativa Especial de Macau (“referred herein as the owner”). Due to the change in the electricity sales calculation which was specified in the contract, after clarification and approval by the owner, since the result of the calculation formula of adjustment of electricity sales is a loss, the adjustment of electricity sales was transferred from other current liabilities to operating revenue, and the amount is NT\$ 569,291, representing 34% of profit before tax. We consider the accuracy of relevant revenue recognition a key audit matter.

How our audit addressed the matter

We performed the following audit procedures on the above key audit matter:

- (A) Obtaining and examining contracts, and discussing relevant calculation with management.
- (B) Obtaining the clarification letter which was replied by the owner about the compensation of “Provision of Services for Operation and Maintenance of the Macao Refuse Incineration Plant” service agreement.
- (C) Obtaining the detail of other current liability, randomly checking and verifying the cash amounts on relevant evidence against with the carrying amounts, and examining the consistence of calculation between original contract and clarification letter.

Other matter – Non-consolidated financial statements

We have audited and expressed an unqualified opinion on the non-consolidated financial statements of KD Holding Corporation as at and for the years ended December 31, 2016 and 2015.

資誠

Responsibilities of management and those charged with governance for the consolidated financial statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with the “Regulations Governing the Preparations of Financial Reports by Securities Issuers” and the International Financial Reporting Standards, International Accounting Standards, IFRIC Interpretations, and SIC Interpretations as endorsed by the Financial Supervisory Commission, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group’s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance, including audit committee, are responsible for overseeing the Group’s financial reporting process.

Auditor’s responsibilities for the audit of the consolidated financial statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ROC GAAS will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

資誠

As part of an audit in accordance with ROC GAAS, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- A. Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- B. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- C. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- D. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- E. Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- F. Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

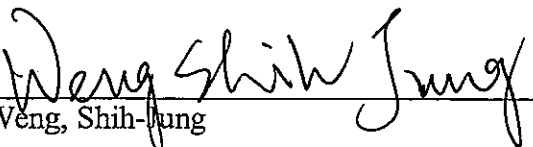

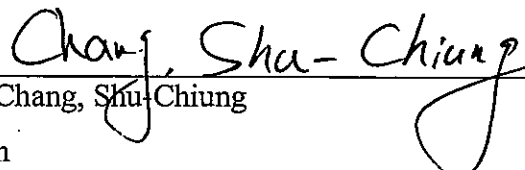

資誠

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.
